any loss or damage for failure to provide adequate safety or ineffectiveness of safety measures undertaken.

(b) All Owners and occupants of any Unit, and all family members, tenants, guests, and invitees of any Owner, acknowledge that the Released Parties do not represent or warrant that any entry gate, patrolling of the Property, neighborhood watch group or volunteer safety patrol, or any safety system designated by or installed according to guidelines established by Association may not be compromised or circumvented; nor that any entry gate, patrolling of the Property, neighborhood watch group or volunteer safety patrol, or any security systems will prevent loss by burglary, theft, hold-up, or otherwise; nor that any entry gate, patrolling of the Property, neighborhood watch group or volunteer safety patrol, or any security systems will in all cases provide the detection or protection for which the system is designed or intended.

(c) All Owners and occupants of any Unit, and all family members, tenants, guests, and invitees of any Owner, acknowledge and understand that the Released Parties are not insurers of safety within the Property. Each Owner acknowledges, understands and shall be responsible for informing its tenants and all occupants of its Unit that the Released Parties are not guarantors of security or safety and that each person using Property within the Project assumes all risks of personal injury and loss or damage to property including Units and the contents thereof, resulting from acts of third parties.

(d) All Owners and occupants of any Unit and all family members, tenants, guests, and invitees of any Owner assume all risks for loss or damage to Persons, to Units, and to the contents of Units and further acknowledge that the Released Parties have made no representations or warranties, nor has any Owner, occupant, or any tenant, guest, or invitee of any Owner relied upon any representations or warranties, expressed or implied, relative to any entry gate, patrolling of the Property, neighborhood watch group or volunteer safety patrol, or any security systems recommended or installed or any safety measures undertaken within the Property.

Section 9.5 Provision of Services. The Association may provide services and facilities for the members of the Association and their guests, lessees and invitees. The Association shall be authorized to enter into contracts or other similar agreements with other entities to provide such services and facilities. The costs of services and facilities provided by the Association may be funded by the Association as a Common Expense. In addition, the Board shall be authorized to charge additional use and consumption fees for services and facilities. The Board, without the consent of the Members of the Association, shall be permitted to modify or cancel existing services or facilities provided, if any, or to provide additional services and facilities. Nothing contained herein can be relied upon as a representation as to what services and facilities, if any, will be provided by the Association. This paragraph shall be specifically construed to allow the Association to enter into a contract for the overall management of the Association with any individual or corporation.

Section 9.6 Change of Use of Common Elements. Upon (a) adoption of a resolution by the Board stating that, in the Board's opinion, a service provided by the Association pursuant to Section 9.5 or the then present use of a designated part of the Common Elements is no longer in the best interest of the Owners or is no longer necessary or appropriate for the purposes intended, the Board shall have the power and right to terminate such service or change the use of any Common Elements (and, in connection therewith, construct, reconstruct, alter or change the buildings, structures and improvements thereon in any manner deemed necessary by the Board to accommodate the new use), provided that any such new use (i) shall be for the benefit of the Owners, and (ii) shall be consistent with any deed restrictions and zoning regulations restricting or limiting the use of the Common Elements.

Section 9.7 View Impairment. The Association does not guarantee or represent that any view over and across any property, including any Unit, from adjacent Units will be preserved without impairment. The Association shall not have the obligation to prune or trim landscaping. Any express or implied easements for view purposes or for the passage of light and air are hereby expressly disclaimed.

Section 9.8 Relationship with Tax-Exempt Organizations. The Association may create, enter into agreements or contracts with, grant exclusive and/or non-exclusive easements over the Common Elements to, or transfer portions of the Common Elements to non-profit, tax-exempt organizations, including but not limited to organizations that provide facilities or services designed to meet the physical or social needs of a particular group or class of persons, for the benefit of the Property, the Association, its members and residents. The Association may contribute money, real or personal property or services to any such entity. Any such contribution shall be a Common Expense of the Association and included as a line item in the Association's annual budget. For the purposes of this Section, a "tax-exempt organization" shall mean an entity which is exempt from federal income taxes under the Internal Revenue Code ("Code"), such as but not limited to entities which are exempt from federal income taxes under Sections 501(c)(3) or 501(c)(4), as the Code may be amended from time to time.

RIGHT OF ENTRY IN EMERGENCIES

In case of any emergency originating in or threatening any Unit or the Common Elements, regardless of whether the Owner or other Person in occupancy is present at the time of such emergency, the Board of Directors, or any other Person authorized by it, or the managing agent, shall have the right to enter such Unit, and such Common Elements for the purpose of remedying or abating the cause of such emergency, and such right of entry shall be immediate.

ARTICLE 13.

**RIGHT OF ENTRY FOR MAINTENANCE OF COMMON ELEMENTS
OR OTHER UNITS**

Whenever it may be necessary to enter any Unit for the purpose of performing any maintenance, alteration or repair to any portion of the Common Elements or adjacent Units, the Owner of each Unit shall permit other Owners or their representatives, or the duly constituted and authorized agent of the Association, to enter such Unit for such purpose, provided that the entry shall be made only at reasonable times and with reasonable advance notice. The Association, its agents, or contractors, may enter a Unit without notice for the purpose of inspecting the Unit for vermin, insects, or other pests and for taking reasonable measures to control or exterminate such pests.

ARTICLE 14.

**LIMITATION UPON RIGHT OF OWNERS
TO ALTER AND MODIFY UNITS;
NO RIGHT TO ALTER COMMON ELEMENTS**

Section 14.1 Alteration of Units. Subject to the provisions of N.C. Gen. Stat. § 47C-2-111, and to the limitations contained in Article 14 of this Declaration, Units may be altered and Common Elements may be allocated as Limited Common Elements. Units may not be subdivided, but boundaries between adjoining Units may be relocated subject to the provisions of N.C. Gen. Stat. §47C-2-112.

Section 14.2 Common Elements Appurtenant to Units.

(a) The undivided interest in the Common Elements declared to be an appurtenance to each Unit shall not be conveyed, devised, encumbered or otherwise dealt with separately from said Unit, and the undivided interest in Common Elements appurtenant to each Unit shall be deemed conveyed, devised, encumbered or otherwise included with the Unit even though such undivided interest is not expressly mentioned or described in the instrument conveying, devising, encumbering or otherwise dealing with such Unit. Any instrument conveying, devising, encumbering or otherwise dealing with any Unit, which describes said Unit by the number designation assigned thereto by the map recorded as aforesaid without limitation or exception, shall be deemed and construed to affect the entire Unit and its appurtenant undivided interest in the Common Elements. Subject to the Timesharing Prohibition included in the Initial Use Restrictions, nothing herein contained shall be construed as limiting or preventing ownership of any Unit and its appurtenant undivided interest in the Common Elements by more than one Person as tenants in common, joint tenants or as tenants by the entirety.

(b) Recognizing that the proper use of a Unit by an Owner or Owners is dependent upon the use and enjoyment of the Common Elements in common with the Owners of all other Units, and that it is in the interest of all Owners that the ownership of the Common Elements be retained in common by the Owners, it is hereby declared that the proportional undivided interest in the Common Elements appurtenant to each Unit shall remain undivided and no Owner shall bring or have any right to bring any action for partition or division of the Common Elements.

Section 14.3 Consent to Modification of Units. No Owner of a Unit shall permit any modification or alteration to be made to a Unit, or any alteration, betterment or improvement to the Limited Common Elements appurtenant to a Unit, without first obtaining the written consent of the Association, which consent may be withheld in the event that a majority of the Board of Directors of the Association shall determine, in its sole discretion, that such modifications, alterations, betterments or improvements would adversely affect or in any manner endanger the Condominium, in part or in its entirety, or any other Unit. No Owner shall cause any improvements or changes to be made to any Unit or building (other than interior painting or other interior decoration) including the installation of electrical wiring, television or radio antennae or any other objects, machines or equipment which may protrude through the walls or roof of any Unit or building, or in any manner alter the appearance of the exterior portion of any building without the written consent of the Association being first had and obtained. Such consent shall not be unreasonably withheld. No Owner shall cause any object to be affixed to the Common Elements or in any manner change the appearance of the Common Elements without the written consent of the Association being first obtained.

In the event the Association shall grant its consent for such improvements or changes to be made, such improvements, including but not limited to all antennae and other objects, machines or equipment which may protrude through the walls or roof shall become and be deemed to be a part of the Unit to which they are affixed. As a condition to the granting of

written consent of the Association to an Owner for the installation of any improvements within the Limited Common Elements assigned to such Owner's Unit, the obligation of Upkeep of such Limited Common Elements, and any improvements and betterments installed therein, shall be deemed to be the obligation of such Owner at the cost and expense of such Owner, and the Association shall have no further obligation to provide such Upkeep or bear the cost thereof as otherwise set forth in this Declaration.

Section 14.4 Floor Covering. Owners shall not change the floor covering in any Unit from that installed as part of the original construction or subsequently approved modification of said Unit without the prior consent of the Board. Notwithstanding this limitation, Owners may do any of the following without the need for prior consent from the Board: (i) install area rugs on top of the existing floor covering originally installed as part of the Unit, and (ii) repair or replace the said existing floor covering with a materially identical material, subject to variations in color and style.

Section 14.5 Indemnification-Unit Modification. The Board of Directors of the Association, in its sole discretion, may require an Owner desiring to add betterments or improvements to his Unit or the Limited Common Elements appurtenant to his Unit to indemnify the other Owners and the Association against any and all loss, cost and expense that may be occasioned by the addition of such betterments or improvements and further may require such Owner to obtain liability insurance naming the other Owners and the Association as additional insureds in such amounts and upon such terms as the Board of Directors shall determine.

ARTICLE 15.

MAINTENANCE AND REPAIR BY OWNERS OF UNITS

Section 15.1 Owner Upkeep of Units. Every Owner shall perform promptly all Upkeep within his Unit which, if omitted, would affect the Condominium, either in its entirety or in a part belonging to other Owners, or adversely impair the ability to rent such Owner's Unit or any other Unit, and every Owner shall be expressly responsible for the damages and liability which his failure to do so may engender. The Owner of each Unit shall be liable and responsible for the Upkeep of all air conditioning and heating equipment, fans or other appliances or equipment, including any fixtures and/or their connections required to provide water, light, power, telephone, sewage and sanitary service solely to his Unit. Such Owner further shall be responsible and liable for the Upkeep of the surfaces of any and all walls, ceilings and floors in the interior of his Unit including painting, decorating and furnishings, and all other accessories in his Unit.

Section 15.2 Maintenance-Insurance Proceeds. Whenever the Upkeep of any item for which the Owner of a Unit is obligated to perform at his own expense is occasioned by any loss or damage which may be covered by any insurance maintained in force by the Association, the proceeds of the insurance received by the Association shall be used for the purpose of performing such Upkeep, except that the Owner of such Unit shall be, in said instance, required to pay such portion of the costs of such Upkeep as shall, by reason of the

applicability of any deductibility provision of such insurance, exceed the amount of the insurance proceeds applicable to such Upkeep.

Section 15.3 Limited Common Elements. Except as otherwise stated herein, all betterments and improvements added to the Limited Common Elements by the Owners are a part of the respective Units and shall be maintained by the respective Owners. The cost of Upkeep of the Limited Common Elements shall be paid by the Owners to whom the exclusive right to use the Limited Common Elements are allocated. Notwithstanding this Section, the Board may, in its reasonable discretion, designate the cost of Upkeep of Limited Common Elements as a Common Expense when said Upkeep is required pursuant to a common plan for the overall Upkeep of the Common Elements.

ARTICLE 16.

MAINTENANCE AND REPAIR OF COMMON ELEMENTS BY THE ASSOCIATION

Section 16.1 Association Upkeep of Common Elements. The Association shall be responsible for the Upkeep of the Common Elements, and all conduits, ducts, plumbing, wiring and other facilities located in the Common Elements or in a Unit for the furnishing of utility and/or other services to the Common Elements or other Units.

Section 16.2 Maintenance Standard. The minimum standard for Upkeep of the Common Elements to be performed by the Association shall be determined by the Board in its sole discretion. If any incidental damage is caused to any Unit by virtue of any work which may be done or caused to be done by the Association in the Upkeep of any Common Elements, the Association shall, at its expense, repair such incidental damage.

Section 16.3 Damage Caused by Owner.

(a) Whenever the Upkeep of any item for which the Association is obligated to perform at its expense is occasioned by any act of an Owner, his tenants, guests or invitees, and such loss or damage may be covered by any insurance maintained in force by the Association, the proceeds of the insurance received by the Association shall be used for the purpose of such Upkeep, except that the Owner who is responsible for the act causing the damage (whether done by himself or his tenants, guests or invitees) shall be required to pay such portion of the cost of such Upkeep as shall, by reason of the applicability of any deductibility provision of such insurance, exceed the amount of the insurance proceeds applicable to such Upkeep.

(b) Whenever the Upkeep of any item for which the Association is obligated to maintain, replace or repair at its expense is occasioned by an act of an Owner, his tenants, guests or invitees, and such loss or damage is not covered by any insurance maintained in force by the Association, the Owner who is responsible for the act causing the damage

(whether done by himself or his tenants, guests or invitees) shall be required to pay the cost of such Upkeep.

Section 16.4 Liability for Damage. Establishment of liability for damage caused by the Owner of a Unit or the Association is subject to the provisions of N.C. Gen. Stat. § 47C-3-107(d).

ARTICLE 17.

AUTHORITY TO PURCHASE INSURANCE

All required or permitted insurance policies (other than title insurance and insurance on betterments and improvements to the Units and Limited Common Elements, if any) upon the Property (other than the personal property of the Owners) shall be purchased by the Association in the name of the Association, as Trustees for the Owners and their respective mortgagees as their interests may appear, and shall provide for the issuance of certificates or memoranda of insurance to the Association and to any Owner, mortgagee, or beneficiary of a deed of trust. Each Owner shall obtain insurance, at his own expense, affording coverage upon his Unit, his personal property and betterments and for his personal liability as may be permitted or required by law, and such insurance shall, if available, contain a waiver of subrogation as to any claims against Owners, the Association and their respective servants, agents and guests. Such insurance shall be in an amount equal to or greater than the amount of the Association's deductible under its master casualty insurance policy. All Unit Owners are required to provide the Association with proof of such insurance and payment upon request.

ARTICLE 18.

INSURANCE COVERAGE TO BE MAINTAINED: USE AND DISTRIBUTION OF INSURANCE PROCEEDS

Section 18.1 Insurance Coverages. The following insurance coverage shall be maintained in full force and effect by the Association:

(a) Casualty insurance covering the Common Elements, and to the extent reasonably available, the Units, including all buildings and all improvements upon the land and all personal property included within the Condominium, except such personal property as may be owned by the Owners, shall be procured in an amount equal to at least one hundred percent (100%) of the maximum insurable replacement value thereof (exclusive of land, excavation and foundations) as determined annually by the insurance company affording such coverage. Such coverage shall afford protection against: (a) loss or damage by fire and other hazards covered by the standard extended coverage endorsement; (b) loss or damage by flood; and, (c) such other risks as from time to time customarily shall be covered with respect to buildings similar in construction, location and use, including, but not limited to, vandalism and malicious mischief. Casualty insurance obtained for the buildings and improvements shall provide such coverage

commonly known as "all inclusive building" coverage and/or "completed Unit" coverage as such terms are used in the insurance industry, and shall include, but not be limited to, all components of the Units together with fixtures, cabinets, built in appliances and all other such improvements which were part of the original completed Units, except for betterments and improvements installed by any Owner at any time.

(b) Public liability and property damage insurance in such reasonable amounts and covering all occurrences commonly insured against including, death, bodily injury, and property damage arising out of or in connection with the use, ownership, or maintenance of the Common Elements, and in such forms as shall be required by the Association, including, but not limited to, legal liability, hired automobiles, non-owned automobile and off-premises employee coverage. All liability insurance shall contain cross-liability endorsements to cover liabilities of the Owners as a group to an Owner.

Section 18.2 Premiums - Common Expenses. Premiums upon insurance policies purchased by the Association shall be paid by the Association as Common Expenses to be assessed and collected from all of the Owners of Units.

Section 18.3 Deductibles. The deductible, if any, on any insurance policies maintained by the Association shall be paid by the Association as a Common Expense. In the event that the cause of any damage or destruction of any portion of the Condominium originated in or through the Common Elements or an apparatus located within the Common Elements, the Association may assess (i) any deductible amount necessitated by either the intentional act or omission, negligence, abuse, misuse or neglect of an Owner, or his or her family, guest, tenant, or the family or guest of said tenant, against such Owner; and (ii) a proportionate share of the deductible amount to any Owner whose Unit is repaired (or which Owner is compensated) by funds from the insurance policies maintained by the Association, based on the proportionate amount of insured loss incurred to the Unit relative to the total insured loss to the Common Elements and other Units. In the event that the cause of any damage or destruction to any portion of the Condominium originated in or through a Unit or any component thereof, then the Owner of said Unit shall pay the deductible under the Association's master casualty policy without regard to whether the Owner was negligent. If an Owner fails to pay the deductible assessed against his or her Unit and the Association pays the deductible cost owed by the Owner, then the deductible cost paid by the Association shall be charged to the Unit as an assessment for which the Association shall have a lien.

Section 18.4 Insurance Claim Adjustment. Any loss covered by the property insurance maintained by the Association shall be adjusted with the Association; provided, however, all insurance policies purchased by the Association shall be for the benefit of the Association and the Owners and their Mortgagees, as their respective interests may appear, and shall provide that all proceeds payable as a result of casualty losses shall be paid to the Association as Trustee. The Trustee shall hold such proceeds in trust for the benefit of the Owners and their respective Mortgagees as their interests may appear.

Section 18.5 Mortgagee-Insurance Proceeds. In the event a mortgage endorsement has been issued for a Unit, the share of any insurance proceeds of the Owner shall be held for the Mortgagee and the Owner as their interests may appear, but nothing herein contained shall be construed so as to give any Mortgagee the right to determine or participate in the determination of reconstruction or repair.

Section 18.6 Use of Insurance Proceeds. Proceeds of insurance policies received by the Association shall be disbursed first for the repair, reconstruction, or restoration of the damaged property, and Owners and lienholders are not entitled to receive payment of any portion of the proceeds unless there is a surplus of proceeds after the Property has been completely repaired or restored, or the Condominium is terminated except as specified in Article 20.

Section 18.7 Reimbursement of Initial Insurance Premiums. Association shall pay the premium(s) of the initial insurance policies required by this Article 19 and shall be reimbursed for the pro rata portion of the cost thereof by each Owner at the time each Unit is conveyed.

Section 18.8 Insurance Policy Requirements. Insurance policies carried pursuant to this Article 19 shall provide that:

(a) Each Owner is an insured person under the policy with respect to liability arising out of his interest in the Common Elements or membership in the Association;

(b) The insurer waives its right to subrogation under the policy against any Owner or members of his household, if applicable;

(c) No act or omission by any Owner, unless acting within the scope of his authority on behalf of the Association, will preclude recovery under the policy;

(d) If, at the time of any loss under the policy, there is other insurance in the name of an Owner covering the same risk covered by the policy, the Association's policy provides primary insurance; and

(e) The insurer issuing the policy may not cancel or refuse to renew it until thirty (30) days after notice of the proposed cancellation or nonrenewal has been mailed to the Association, each Owner and each Mortgagee or beneficiary under a deed of trust to whom certificates or endorsements have been issued at their respective last known addresses.

Section 18.9 Insurance Coverage-Betterments. The Association shall not be required to maintain insurance coverage for any betterments or improvements to the Units and/or Limited Common Elements added by any Owner and an Owner may be required to maintain such liability coverage as is otherwise provided herein.

Section 18.10 Insurance Availability Notification. If the insurance described in this Article is not reasonably available, the Association promptly shall cause notice of that fact to be hand delivered or sent prepaid by United States mail to all Owners.

Section 18.11 Fidelity Insurance. If desired, the Association may maintain fidelity insurance.

ARTICLE 19.

RECONSTRUCTION OR REPAIR OF CASUALTY DAMAGE

Section 19.1 Reconstruction-Costs. Any portion of the Condominium for which insurance is required pursuant to Article 19 which is damaged or destroyed shall be repaired or replaced promptly by the Association unless (1) the Condominium is terminated, (2) repair or replacement would be illegal under any State or local health or safety statute or ordinance, or (3) the Owners decide not to rebuild by an eighty percent (80%) vote, including one hundred percent (100%) approval of all Owners of Units not to be rebuilt or Owners of Units assigned to Limited Common Elements not to be rebuilt. The cost of repair or replacement in excess of insurance proceeds and reserves shall be a Common Expense. If the entire Condominium is not repaired or replaced, (1) the insurance proceeds attributable to the damaged Common Elements shall be used to restore the damaged area to a condition compatible with the remainder of the Condominium, (2) the insurance proceeds attributable to Units and Limited Common Elements which are not rebuilt shall be distributed to the Owners of those Units and the Owners of the Units to which those Limited Common Elements were allocated or to lienholders, as their interests may appear, and (3) the remainder of the proceeds shall be distributed to all of the Owners or lienholders, as their interests may appear, in proportion to their Common Element interest. If Owners vote not to rebuild any Unit, that Unit's allocated interests automatically shall be reallocated upon the vote as if the Unit had been condemned pursuant to N.C. Gen. Stat. § 47C-1-107(a), and the Association promptly shall prepare, execute and record an amendment to this Declaration reflecting the reallocations. Unless otherwise prohibited, any such reconstruction or repair shall be substantially in accordance with the plans and specifications contained herein.

Section 19.2 Estimates of Replacement Costs. Immediately after the casualty causing damage to property for which the Association has the responsibility for maintenance and repair, the Association shall obtain reliable and detailed estimates of the cost to place the damaged property in a condition as good as that before the casualty. Such costs may include professional fees and premiums for such bonds as the Board of Directors deems necessary or appropriate.

Section 19.3 Priority of Repair. When the damage is to Common Elements, Limited Common Elements and Units, the insurance proceeds will be applied first to the costs of repairing the Common Elements, secondly to the cost of repairing the Units, and thirdly to the cost of repairing the Limited Common Elements.

Section 19.4 Association Right to Insurance Adjustments. Each Owner shall be deemed to have delegated to the Association his right to adjust with insurance companies all losses under policies purchased by the Association.

ARTICLE 20.

ASSOCIATION TO MAINTAIN REGISTER OF OWNERS AND MORTGAGEES

Section 20.1 Register of Owners and Mortgagees. The Association shall at all times maintain a register setting forth the names of the Owners of all of the Units. In the event of the sale or transfer of any Unit to a third party, the purchaser or transferee shall notify the Association in writing of his interest in such Unit, together with such recording information as shall be pertinent to identify the instrument by which such purchaser or transferee has acquired his interest in any Unit. Further, the Owner of each Unit shall notify the Association of the names of the parties holding any mortgage or mortgages on any Unit, the amount of such mortgage or mortgages and the recording information which shall be pertinent to identify the mortgage or mortgages. The holder of any mortgage or mortgages upon any Unit may, if he so desires, notify the Association of the existence of any mortgage or mortgages held by such party on any Unit and, upon receipt of such notice, the Association shall register in its records all pertinent information relating thereto.

Section 20.2 Mortgage Provisions. The following provisions are for the benefit of holders, insurers and guarantors of first Mortgages on Units in the Property. The provisions of this Article apply to both this Declaration and to the Bylaws, notwithstanding any other provisions contained therein.

(a) Notices of Action. An institutional holder, insurer, or guarantor of a first Mortgage which provides written request to the Association (such request to state the name and address of such holder, insurer, or guarantor and the street address of the Unit to which its Mortgage relates, thereby becoming an "Eligible Holder"), will be entitled to timely written notice of:

(i) Any condemnation loss or any casualty loss which affects a material portion of the Property or which affects any Unit on which there is a first Mortgage held, insured, or guaranteed by such Eligible Holder;

(ii) Any delinquency in the payment of assessments or charges owed by a Unit subject to the Mortgage of such Eligible Holder, where such delinquency has continued for a period of ninety (90) days, or any other violation of the Declaration or Bylaws relating to such Unit or the Owner or Occupant which is not cured within ninety (90) days. Notwithstanding this provision, any holder of a first Mortgage is entitled to written notice upon request from the Association of any default in the performance by an Owner of a Unit of any obligation under the Declaration or Bylaws which is not cured within ninety (90) days; or

(iii) Any lapse, cancellation, or material modification of any insurance policy maintained by the Association.

(b) No Priority. No provision of this Declaration or the Bylaws gives or shall be construed as giving any Owner or other party priority over any rights of the first Mortgagee of any Unit in the case of distribution to such Owner of insurance proceeds or condemnation awards for losses to or a taking of the Common Elements.

(c) Notice to Association. Upon request, each Owner shall be obligated to furnish to the Association the name and address of the holder of any Mortgage encumbering such Owner's Unit.

Section 20.3 Lien of Mortgagees. This Declaration is not intended to affect the lien held by Mortgagees on Units as said Units were created and described in the Original Declaration.

ARTICLE 21.

ASSESSMENTS: LIABILITY, LIEN AND ENFORCEMENT

To properly administer the operation and management of the Condominium, the Association will incur for the mutual benefit of all of the Owners of Units, costs and expenses which are part of the Common Expenses. To provide for the payment of the Common Expenses, the Association has heretofore been granted the right to make, levy and collect assessments against the Owners and their Units. In furtherance of this grant of authority to the Association to make, levy and collect assessments to pay the Common Expenses of the Condominium, the provisions of this Article shall be operative and binding upon the Owners of all Units.

Section 21.1 Levy of Assessments. Except as specifically otherwise provided for in this Article or elsewhere in this Declaration, all assessments levied by the Association shall be levied on all Units equally. Should the Association be the Owner of a Unit or Units, the assessment which would otherwise be due and payable to the Association by the Owner of such Unit or Units, reduced by the amount of income which may be derived from the leasing of such Unit or Units by the Association, shall be apportioned and assessment therefor levied ratably among the Owners of all Units which are not owned by the Association, based upon their proportionate interests of the Common Expenses exclusive of the interests therein appurtenant to any Unit or Units owned by the Association.

Section 21.2 Assessments - Limited Common Elements. Any Common Expense associated with the maintenance, repair or the replacement of a Limited Common Element shall be assessed equally against the Units to which that Limited Common Element is assigned. Any Common Expense or portion thereof benefiting fewer than all of the Units must be assessed exclusively against the Units benefited in such proportions as determined by the Board.

Section 21.3 Payment of Assessments. Assessments provided for herein may be payable in installments as directed by the Board of Directors of the Association. Such assessments shall commence upon closing of the sale of the first Unit.

Section 21.4 Association Budget. The Board of Directors of the Association shall establish an Annual Budget in advance for each fiscal year (which shall correspond to the fiscal year set forth in the Bylaws). Such Budget shall project all expenses for the forthcoming fiscal year which may be required for the proper operation, management and maintenance of the Condominium, including a reasonable allowance for contingencies and reserves, such budget to take into account projected anticipated income which is to be applied in reduction of the amounts required to be collected as an assessment each year. The Board of Directors shall keep separate, in accordance with Section 22.5 hereof, items relating to operation and maintenance from items relating to capital improvements. Within thirty (30) days after adoption of such Annual Budget by the Board of Directors of the Association, copies of said Annual Budget or summaries thereof shall be delivered to each Owner of a Unit. Within thirty (30) days after adoption of any proposed Budget, the Board of Directors shall set a date for a meeting of the Owners to consider ratification of the Annual Budget which date shall be not less than fourteen (14) nor more than thirty (30) days after the mailing of copies of such Annual Budget or summary thereof to the Owners. There shall be no requirement that a quorum be present at the meeting. The Annual Budget is ratified unless at that meeting a majority of all the Owners reject the Annual Budget. In the event the proposed Annual Budget is rejected, the periodic budget last ratified shall be continued until such time as the Owners ratify (i.e. fail to reject by a majority of all Owners) a subsequent budget proposed by the Board of Directors. Should the Board of Directors at any time determine, in its sole discretion, that the assessments levied are, or may prove to be, insufficient to pay the costs of operation and management of the Condominium, or in the event of emergencies, the Board of Directors shall have the authority to levy such additional assessment or assessments it may deem to be necessary.

Section 21.5 Capital Improvement Fund. The Board of Directors of the Association, in establishing the Annual Budget for operation, management and maintenance of the Condominium, may designate therein a sum to be collected and maintained as a reserve fund for replacement of and capital improvements to the Common Elements, which capital improvement and replacement fund (Capital Improvement Fund) shall be for the purpose of enabling the Association to replace structural elements and mechanical equipment constituting a part of the Common Elements, as well as the replacement of personal property which may constitute a portion of the Common Elements held for the joint use and benefit of the Owners of Units. The amount to be allocated to the Capital Improvement Fund may be established by said Board of Directors so as to collect and maintain a sum reasonably necessary to anticipate the need for replacement of Common Elements. The amount collected for the Capital Improvement Fund shall be maintained in a separate account by the Association and such monies shall be used only to make capital improvements to Common Elements. Any interest earned on monies in the Capital Improvement Fund may, in the discretion of the Board of Directors of the Association, be expended for current operation and maintenance.

- **Section 21.6 Assessments-Association Property.** All monies collected by the Association shall be treated as the separate property of the Association, and such monies may be applied by the Association to the payment of any expense of operating and managing the Condominium, or to the proper undertaking of all acts and duties imposed upon it by virtue of this Declaration, and the Bylaws of the Association. As monies for any assessment are paid into the Association by any Owner of a Unit, the same may be commingled with monies paid to the Association by other Owners of Units. Although all funds and Common Surplus, including other assets of the Association, and any increments thereto or profits derived therefrom or from the leasing or use of Common Elements, shall be held for the benefit of the members of the Association, no member of the Association shall have the right to assign, hypothecate, pledge or in any manner transfer his membership interest therein, except as an appurtenance to his Unit. When the Owner of a Unit shall cease to be a member of the Association by reason of his divestment of ownership of such Unit, by whatever means, the Association shall not be required to account to such Owner for any share of the funds or assets of the Association, or which may have been paid to the Association by such Owner, as all monies which any Owner has paid to the Association shall be and constitute an asset of the Association which may be used in the operation and management of the Condominium.

Section 21.7 Delinquent Assessments. The payment of any assessment or installment thereof shall be in default if such assessment or installment is not paid to the Association within thirty (30) days of the due date for such payment. When in default, the delinquent assessment or delinquent installment thereof due to the Association shall bear interest at the rate of ten percent (10%) per annum or the maximum rate permitted by law, whichever is less, until such delinquent assessment or installment thereof, and all interest due thereon, has been paid in full to the Association. All monies owing to the Association shall be due and payable at the office of the Association. In any case where an assessment is payable in installments, upon a default by an Owner in the timely payment of any such installment, the maturity of the remaining total of the unpaid installments of such assessment may be accelerated, at the option of the Board, and the entire outstanding balance of the Assessment, including such delinquent installment, may be declared due and payable in full immediately by written notice to such effect upon the defaulting Owner.

Section 21.8 Liability for Assessments. The Owner or Owners of each Unit shall be personally liable, jointly and severally, to the Association for the payment of all assessments, regular or special, which may be levied by the Association against such Unit while such party or parties are Owner or Owners of a Unit. In the event that any Owner or Owners are in default in payment of any assessment or installment thereof owed to the Association, such Owner or Owners personally shall be liable, jointly and severally, for interest on such delinquent assessment or installment thereof as above provided, and for all costs of collecting such assessment or installment thereof and interest thereon, including a reasonable attorneys' fee, whether suit be brought or not.

No Owner of a Unit may exempt himself from liability for any assessment levied against him or his Unit by waiver of the use of enjoyment of any of the Common Elements, or by abandonment of the Unit or in any other way.

Section 21.9 Lien for Assessments. Recognizing that proper operation and management of the Condominium requires the continuing payment of costs and expenses therefor, and that such proper operation and maintenance results in benefit to all of the Owners of Units, and that the payment of such Common Expenses represented by the assessments levied and collected by the Association is necessary in order to preserve and protect the investment of each Owner, the Association is hereby granted the right to place a lien upon each Unit, and any Limited Common Elements assigned to such Unit, and its appurtenant undivided interest in the Common Elements for nonpayment of any assessment levied against a Unit remaining unpaid for thirty (30) days or longer, which lien also shall secure interest, if any, which may be due on the amount of any delinquent assessments owing to the Association, and which lien also shall secure all costs and expenses, including reasonable attorneys' fees, which may be incurred by the Association in enforcing the lien provided for herein. Subject to N.C. Gen. Stat. § 47C-3-116, as amended, the lien granted to the Association may be foreclosed in the same manner as real estate mortgages and deeds of trust may be foreclosed under power of sale in the State of North Carolina. The Association shall be entitled to bid at any foreclosure sale and may apply as cash credit against its bid all sums due as provided herein. The lien granted to the Association shall further secure such advances for taxes, and payments on account of superior mortgages, liens or encumbrances which may be required to be advanced by the Association in order to preserve and protect its lien, and the Association shall further be entitled to interest at the rate of ten percent (10%) per annum or the maximum rate permitted by law, whichever is less, on any such advances made for such purpose. All persons, firms or corporations who shall acquire, by whatever means, any interest in the ownership of any Unit, or who may be given or may acquire a mortgage, lien or other encumbrance thereon, are hereby placed on notice of the lien rights granted to the Association, and shall acquire such interest in any Unit expressly subject to such lien rights.

The lien herein granted unto the Association shall be enforceable from and after the time of recording a claim of lien in the office of the Clerk of Superior Court of Dare County, North Carolina, which claim shall state the description of the Unit encumbered thereby, the name of the record owner, the amount due, the date when due and shall comply with any other requirements under N.C. Gen. Stat. § 47C-3-116, as amended. The claim of lien shall be recordable at any time after default and the lien shall continue in effect until all sums secured by said lien as herein provided shall have been fully paid, but shall be extinguished unless a proceeding to enforce the lien is instituted within three (3) years after the docketing thereof. Such claims of lien shall include only assessments which are due and payable when the claim of lien is recorded, plus interest, costs, attorneys' fees, advances to pay taxes and prior encumbrances and interest thereon, all as above provided and all fees, charges, late charges, fines and interest as set forth in N.C. Gen. Stat. § 47C-3-116, as amended. Such claims of lien shall be signed and verified by an officer or agent of the Association. Upon full payment of all sums secured by such claim of lien, the same shall be satisfied of record.

The lien provided for herein shall be prior to all liens and encumbrances on a Unit except (1) liens and encumbrances (specifically including, but not limited to, a mortgage or deed of trust on the Unit) recorded before the docketing of the lien in the office of the clerk of superior court, and (2) liens for real estate taxes and other governmental assessments or charges against the Unit. This subsection does not affect the priority of mechanics' or materialmen's liens.

If the holder of a first mortgage or first deed of trust of record, or other purchaser of the Unit, obtains title to the Unit as a result of foreclosure, such purchaser, and its heirs, successors and assigns, shall not be liable for the assessments against such Unit which became due prior to acquisition of title to such Unit by such purchaser. Such unpaid assessments shall be deemed to be Common Expenses collectible from all of the Owners including such purchaser, and its heirs, successors and assigns although nothing herein contained shall be construed as releasing the party liable for such delinquent assessment from the payment thereof or the enforcement of collection of such payment by means other than foreclosure.

Section 21.10 Statement of Assessment Status. Whenever any Unit may be leased, sold or mortgaged by the Owner thereof, the Association, upon written request of the Owner, shall furnish to the proposed lessee, purchaser or mortgagee, a statement verifying the status of payment of any assessment which shall be due and payable to the Association for such Unit. Such statement shall be executed by any officer or management agent of the Association, and any lessee, purchaser or mortgagee may rely upon such statement in concluding the proposed lease, purchase or mortgage transaction, and the Association shall be bound by such statement.

Section 21.11 Election of Collection Remedies. Institution of a suit at law to attempt to effect collection of the payment of any delinquent assessment shall not be deemed to be an election by the Association which shall prevent it from thereafter seeking, by foreclosure action, enforcement of the collection of any sums remaining owing to it, nor shall proceeding by foreclosure to attempt such collection be deemed to be an election precluding the institution of a suit at law to collect any sum then remaining owing to the Association.

ARTICLE 22.

COMPLIANCE AND ENFORCEMENT

Section 22.1 General Remedies. Every Owner and any occupant of any Unit shall comply with the Association Documents and the Act. Failure to comply shall be grounds for an action by the Association to recover sums due, for damages, injunctive relief or any other remedy available at law and equity or under the Act.

Section 22.2 Enforcement/Sanctions. The Board or such other Association agent with the Board's approval, may impose sanctions for violations of Association Documents after notice and a hearing in accordance with the procedures set forth in the Act and Section 22.3 of this Declaration. Such sanctions may include, without limitation:

- (a) Imposing reasonable monetary fines which shall constitute a lien upon the Unit of the violator;
- (b) Suspending an Owner's right to vote;
- (c) Suspending any Person's right to use any facilities within the Common Elements; provided, however, nothing herein shall authorize the Board to limit ingress or egress to or from the Unit; and
- (d) Suspending any services provided by the Association to an Owner or the Owner's Unit if the Owner is more than thirty (30) days delinquent in paying any assessment or other charge owed to the Association.

Section 22.3 Hearing Procedures. Except as may be otherwise specifically authorized by the Association Documents, and permitted by the Association Documents, the Board shall not (i) impose a fine or penalty, (ii) undertake permitted remedial action, or (iii) suspend voting or infringe upon other rights of a Member or other occupant of a Lot or Unit for violations of the Association Documents, or for assessments or other amounts due and owing to the Association remaining unpaid for a period of thirty (30) days, or longer, unless and until the following procedure is completed:

(a) **Notice.** The Board, or an adjudicatory panel appointed by the Board, shall serve the Owner or Occupant of a Unit alleged to have violated the Association Documents or the Act (the "Responsible Person") with a written notice of a hearing to be held by the Board of the Association in executive session, or before an adjudicatory panel appointed by the Board; provided, however, that any adjudicatory panel appointed by the Board shall be composed of members of the Association who are not officers of the Association or members of the Board. The notice shall contain: (i) the nature of the alleged violation; (ii) the time and place of the hearing, which shall not be less than ten (10) days from the giving of the notice; (iii) an invitation to attend the meeting and produce any statement, evidence and witness on behalf of the Responsible Person; and (iv) the proposed sanction to be imposed. The notice prescribed herein may be served by mailing a copy of said notice to the Responsible Person by placing said notice in the United States mail, postage prepaid, by any method as permitted for the service of summons as set forth in Rule 4 of the North Carolina Rules of Civil Procedure or by the delivery of said notice by an officer, director or agent of the Association to the Responsible Person or to any person who may be served on the Responsible Person's behalf as provided in said Rule 4.

(b) **Hearing.** The hearing shall be held in executive session of the Board or an adjudicatory panel appointed by the Board pursuant to the notice affording the member a reasonable opportunity to be heard. Any adjudicatory panel appointed by the Board shall be composed of Members who are not officers of the Association or members of the Board. Prior to the effectiveness of any sanction hereunder, proof of notice and the invitation to be heard shall be placed in the minutes of the meeting. Such proof shall be deemed adequate if a copy of the notice, together with a statement of the date and manner of deliver, is entered by the officer, director, or agent who delivered such notice. The notice requirement shall be deemed satisfied if

the Responsible Person appears at the meeting. The minutes of the meeting shall contain a written statement of the results of the hearing and the sanction, if any, imposed. In addition, a written statement of the results of the hearing and the sanction, if any, imposed shall be mailed by the United States mail, postage prepaid, by the Association to the violator.

(c) Appeal. If the hearing is held before an adjudicatory panel, following such hearing and notice of a decision adverse to the violator, the Responsible Person shall have the right to appeal the decision to the Board. To perfect this right, a written notice of appeal must be received by the managing agent of the Association, President or Secretary of the Association within fifteen (15) days after the date of the decision, said written notice to contain information by which the Board may notify the Responsible Person of the date of the appeal hearing. If no adjudicatory panel is appointed by the Board, no right of appeal shall exist.

(d) Sanction as Assessment. Pursuant to the provisions of this Section, a fine may be imposed by the Association is an amount not exceeding One Hundred and No/100 Dollars (\$100.00) (or any greater amount as may be provided otherwise by law or the Act) per violation of the Association Documents and without further hearing, for each day more than five (5) days after the decision to impose such fine that the violation occurs. Any such fine shall be an assessment as set forth in this Declaration and the Act. If it is decided pursuant to the provisions of this Section that a suspension of privileges or services should be imposed, the suspension may be continued without further hearing until the violation or delinquency is cured.

Section 22.4 Self Help Remedies. In addition to other rights set forth in the Association Documents and the Act, upon violation or breach of any provision of the Association Documents, the Board shall have the right: (i) to enter a Unit or Limited Common Element appurtenant thereto, on which or as to which such violation or breach exists and summarily to abate and remove, at the expense of the defaulting Owner, any structure, thing or condition that may exist therein contrary to the intent and meaning of the provisions of the Association Documents, and the Board shall not thereby be deemed guilty in any manner of trespass, (ii) to use self-help to remove or cure any violation of the Association Documents (including, without limitation, the towing of vehicles); or (iii) to enjoin, abate or remedy by appropriate legal proceedings, either at law or in equity, the continuance of any such breach; provided, however, that before any construction or improvements may be altered or demolished, except in emergencies, judicial proceedings shall be instituted by the Association against such defaulting Owner or its tenant.

Section 22.5 Cumulative Remedies/Attorneys' Fees. The Association shall have all powers and remedies under the Act and the Association Documents which shall be cumulative of any remedies available at law or in equity. In any action to enforce the provisions of the Association Documents, if the Association prevails, it shall be entitled to recover all costs, including, without limitation, attorneys' fees and court costs, reasonably incurred in such action.

Section 22.6 Association's Right Not to Take Action. The Association shall not be obligated to pursue enforcement action in any particular case, such decisions to be within the discretion of the Board, except that the Board shall not be arbitrary or capricious in taking

enforcement action. Without limiting the generality of the foregoing, the Board may determine that, under the circumstances of a particular case: (a) the Association's position is not strong enough to justify taking any or further action; or (b) the covenant, restriction or rule being enforced is, or is likely to be construed as, inconsistent with applicable law; or (c) although a technical violation may exist or may have occurred, it is not of such a material nature as to be objectionable to a reasonable person or justify expending Association funds; or, (d) it is not in the best interest of the Association, based upon hardship, expense or other reasonable criteria, to pursue enforcement action.

Such a decision shall not be construed a waiver of the right of the Association to enforce such covenant, restriction, rule or provision at a later time under other circumstances or preclude the Association from enforcing any other covenant, restriction, rule or provision, nor shall it preclude any Owner from taking action at law or in equity to enforce the Association Documents.

Section 22.7 Enforcement by Owner. Nothing set forth in this Article 23 shall prevent any aggrieved Owner from instituting any available remedy in law or in equity for a violation of the Association Documents.

ARTICLE 23.

COMMON SURPLUS

"Common Surplus," meaning all funds and other assets of the Association remaining after the payment of or the provision for Common Expenses, including reserves, shall be owned by the Owners of all Units in the same proportion as their Common Expense liabilities. Except for distribution of any insurance indemnity herein provided, or upon termination of the Condominium, any attribution or distribution of Common Surplus which may be made from time to time shall be made to the then Owners of Units in accordance with their percentage interest in Common Surplus as declared herein. All Common Surplus remaining after payment of or provision for Common Expenses, including prepayment of reserves, must be paid to the Owners in proportion to their Common Expense liabilities or credited to them to reduce their future Common Expense liabilities.

ARTICLE 24.

TERMINATION

The Condominium may be terminated only in strict compliance with N.C. Gen. Stat. § 47C-2-118.

ARTICLE 25.

AMENDMENT OF DECLARATION OF CONDOMINIUM

An amendment or amendments to this Declaration may be proposed by the Board of Directors of the Association acting upon a vote of a majority of the Directors, or by the members of the Association owning a majority of the Units, whether meeting as members or by instrument in writing signed by them. Upon any amendment or amendments to this Declaration being proposed by said Board of Directors or members, such proposed amendment or amendments shall be transmitted to the President of the Association, or other officer of the Association in the absence of the President, who shall thereupon call a Special Meeting of the members of the Association for a date not later than sixty (60) days from receipt by him of the proposed amendment or amendments. It shall be the duty of the Secretary to give to each member written or printed notice of such Special Meeting, stating the time and place thereof, and reciting the proposed amendment or amendments in reasonably detailed form, which notice shall be mailed not less than fourteen (14) days nor more than thirty (30) days before the date set for such Special Meeting. If mailed, such notice shall be deemed to be properly given when deposited in the United States Mail addressed to the member at his Post Office address as it appears on the records of the Association, the postage thereon prepaid. Any member may, by written waiver of notice signed by such member, waive such notice, and such waiver, when filed in the records of the Association, whether before or after the holding of the Meeting, shall be deemed equivalent to the giving of notice to such member. At the meeting, the amendment or amendments proposed must be approved by an affirmative vote of at least sixty-seven percent (67%) of the votes in the Association which are allocated to Owners in the Condominium in order for such amendment or amendments of this Declaration to be adopted. Any such amendment or amendments as adopted shall be transcribed and certified by the President and Secretary of the Association as having been duly adopted. The original or an executed copy of such amendment or amendments, so certified and executed with the same formalities as a deed, shall be recorded in the Register of Deeds, such amendment or amendments to specifically refer to the recording data identifying this Declaration. Thereafter, a copy of said amendment or amendments in the form in which the same were placed of record by the officers of the Association shall be delivered to the Owners of all Units, but delivery of a copy thereof shall not be a condition precedent to the effectiveness of such amendment or amendments. At any meeting held to consider such amendment or amendments, the written vote of any member of the Association shall be recognized if such member is not in attendance at such meeting or represented there at by proxy, provided such written vote is delivered to the Secretary of the Association prior to such meeting or at such meeting.

As an alternative to holding a meeting of the members to consider an amendment of this Declaration, a written agreement may be circulated among the members. To be effective, the written agreement must be executed by Owners of Units to which at least sixty-seven percent (67%) of the votes of the Association are allocated. Once approved, the amendment or

amendments shall be transcribed, certified, executed, recorded and a copy sent to all Owners as specified above.

In the event that any of the terms, provisions or covenants of this Declaration are held to be partially or wholly invalid or unenforceable for any reason whatsoever, such holding shall not affect, alter, modify or impair in any manner whatsoever any of the other terms, provisions or covenants hereof or the remaining portions of any terms, provisions or covenants held to be partially invalid or unenforceable.

INITIAL USE RESTRICTIONS

1. **Use.** The property described in Exhibit A shall be used only for single family residential, recreational, and related purposes (which may include, without limitation, offices for any property manager retained by the Association or business offices for the Association consistent with this Declaration and any Supplemental Declaration), subject to applicable laws.
2. **Nuisances.** No immoral, improper, offensive or unlawful use shall be made of any Unit or of the Common Elements, nor any part thereof, and all laws, zoning ordinances and regulations of all governmental authorities having jurisdiction of the Condominium shall be observed. No Owner of any Unit shall permit or suffer anything to be done or kept in his Unit, or on the Common Elements, which will increase the rate of insurance on the Condominium, or which will obstruct or interfere with the rights of other occupants of the Condominium or annoy them by unreasonable noises, nor shall any Owner undertake any use or practice which shall create and constitute a nuisance to any other Owner of a Unit, or which interferes with the peaceful possession and proper use of any other Unit or the Common Elements.
3. **Pets.** No animals or pets of any kind shall be kept in any unit or on the property except as and if permitted by the rules and regulations adopted by the Board. The Association may adopt reasonable rules regarding household pets designed to minimize damages to the Property and disturbances to other Owners and occupants, including rules requiring damage deposits, waste removal, leash controls, noise controls, pet occupancy limitations or prohibitions based on size of the Unit and fair share use of the Common Area. Nothing in this provision shall prevent the Association from requiring removal of any animal that presents an actual threat to the health or safety of residents or from requiring abatement of any nuisance or unreasonable source of annoyance. No Owner shall be permitted to raise, breed or keep mammals, birds, fish, or reptiles of any kind for commercial or business purposes.
4. **Restricted Activities.** The following activities are prohibited within the Condominium:
 - a. Any activity which violates local, state or federal laws or regulations;
 - b. Use or discharge of any radio, loudspeaker, horn, whistle, bell, or other sound device so as to be audible to occupants of other Units, except alarm devices used exclusively for security purposes;
 - c. Use of any Unit for a Business and Trade, garage sale, moving sale, rummage sale, or similar activity, except that an Owner or occupant residing in a Unit may conduct business activities within the Unit so long as: (i) the existence or operation of the business activity is not apparent or detectable by sight, sound, or smell from outside the Unit; (ii) the business activity conforms to all zoning requirements for the Property; (iii) the business activity does not involve door-to-door solicitation of residents of the

Property; (iv) the business activity does not, in the Board's reasonable judgment, generate a level of vehicular or pedestrian traffic or a number of vehicles being parked in the Property which is noticeably greater than that which is typical of Units in which no business activity is being conducted; and (v) the business activity is consistent with the residential character of the Property and does not constitute a nuisance, or a hazardous or offensive use, or threaten the security or safety of other residents of the Property, as may be determined in the sole discretion of the Board.

5. Window Coverings. Window coverings which are visible to the outside view shall be white backed, or meet such other criteria as the Board may prescribe, or shall be approved by the Board prior to installation, and in all events shall be harmonious with exterior design, color and other Units as determined by the Board
6. Personal Property in Common Elements. Without the prior written consent of the Board, no structure shall be placed or permitted to remain on any balcony, railing or other portion of the Common Elements, including Limited Common Elements.
7. Food Preparation. Food preparations shall not be permitted in the Common Elements, including the use of exterior cooking equipment, except as may be approved in advance by the Board or pursuant to rules and regulations promulgated by the Board.
8. Flags/Signs. No Owner shall post or display any sign, decoration, art work, flag, or banner either upon the Common Elements, Limited Common Elements or within his Unit which is visible from any Common Elements other than political signs which may be posted pursuant to rules and regulations adopted from time to time by the Executive Board. For purposes of this restriction, a "political sign" means a sign that attempts to influence the outcome of an election, including supporting or opposing an issue on the election ballot.
9. Winterization Policy. Each Owner must winterize his/her Unit beginning December 1 through March 1 of each year ("Winterization Period"). The Winterization Period may be changed unilaterally by the Board based on the weather. Owners are required to notify the Association in writing that their Unit has been winterized, such notice to include date of service, name of service provider, and contact information for service provider. If an owner fails to winterize his/her Unit during the Winterization Period, the Association may winterize the Unit and the Association shall charge the cost of the winterization to the Unit Owner as an individual assessment. If an Owner occupies his/her Unit during any portion of the Winterization Period, the Owner may de-winterize the Unit for the length of occupation, but shall re-winterize prior to departure if departure occurs during the Winterization Period.
10. Parking.
 - a. The Association shall assign the use of one (1) parking space with storage area to each Unit Owner at the time such Unit is acquired.
 - b. A Unit Owner may surrender or transfer a parking space that has been assigned to his or her Unit to the Association. Upon such transfer, the Association, in its sole discretion,

may assign the use of the parking spaces to another Unit Owner. A Unit Owner may transfer the use of a parking space to any other Unit Owner within the Condominium, provided that written notice of such transfer, executed by the transferor and the transferee, shall be submitted to the Association.

- c. No commercial vehicles or trucks over one-half ton capacity may be parked overnight. All vehicles parked overnight must bear current license and registration tags. The Association shall have the right to authorize the towing of any vehicle violating the terms of this Section without a notice or a hearing, the cost of which will be borne by the owner or operator of the vehicle.
 - d. Individual boat trailers are permitted to be parked, provided that the boat trailer does not exceed the size of one parking space.
11. Out-Buildings. No trailer, tent, storage shed, garage or other similar out-building or structure shall be placed on the Property at any time, whether temporarily or permanently.

RECITALS:

A. The Association and the Owners caused to be recorded the Amended and Restated Declaration of Unit Ownership Seven C's Kill Devil Hills, North Carolina in Book 2102, Page 120 in the office of the Register of Deeds of Dare County (the "Declaration"). The capitalized terms set forth in this Supplement shall have the same meanings as set forth in the Declaration unless otherwise defined or the context shall otherwise prohibit.

B. Prior to the approval and recording of the Declaration, the original Condominium building was destroyed in a fire and the Association caused the Condominium building to be reconstructed within the Property, but in a different location than the original Condominium building. All of the Owners executed the Declaration to, among other things, consent to the construction of the Condominium building in a new location, to consent to the conversion of Units, Common areas, and Limited common areas and facilities as created by and described in the Declaration of Unit Ownership Seven C's Kill Devil Hills, North Carolina recorded in Book 312, at Page 340 in the office of the Register of Deeds of Dare County (as amended and supplemented, the "Original Declaration") to the Units, Common Elements, and Limited Common Elements created by and described in the Declaration, and to convey their interests in the Condominium to the other Owners, as necessary

C. Some of the Units, as created by and described in the Original Declaration, are encumbered by Mortgages. It is the intent of each Owner, whose respective Unit as created by and described in the Original Declaration is encumbered by a Mortgage(s), that any such Mortgage shall now encumber their respective Unit, together with the appurtenant undivided interest in the Common Elements, as the same is set forth and described in Exhibit B and Exhibit C to the Declaration and on the revised plats and plans.

NOW, THEREFORE, for and in consideration of the premises and in order to reaffirm the existing Mortgages and to convey their interest(s) in their respective Unit, together with the appurtenant undivided interest in the Common Elements, as set forth and described in Exhibit B and Exhibit C to the Declaration, to their Mortgagee(s), or trustee(s) of the Mortgage, as applicable, the Owners hereby agree as follows:

1. The Owners, whose Units as created by and described in the Original Declaration are encumbered by Mortgages, reaffirm and reacknowledge the terms and conditions of those Mortgages.

2. The Owners hereby grant, mortgage, pledge, encumber, and convey their respective interest(s) in their Unit(s), together with the appurtenant undivided interest in the Common Elements, as the same is set forth and described in Exhibit B and Exhibit C to the Declaration and on the revised plats and plans, to their Mortgagees, or trustees of the Mortgage, as applicable, subject and pursuant to the terms of the applicable Mortgages.

[Signatures to follow]

IN TESTIMONY WHEREOF, the Association and the Owners have caused this Supplement to be executed under seal in a manner as to be legally binding this the day and year first above written.
