Section 1. Creation of the Lien and Personal Obligation for Assessments.

Each Owner, other than the Declarant, of any Lot or Dwelling Unit, by acceptance of a deed therefore, whether or not it shall be so expressed in any such deed or other conveyance, as well as each Non-Owner who is a Class C Member pursuant to Article Five, Section 2(c) of this Declaration, shall be deemed to and does hereby covenant and agree to all the covenants, conditions and restrictions of this declaration and to pay, in the case of class C Members, to the Association: (1) annual assessments or charges as herein or in the By-Laws provided, (2) special assessments for capital improvements (such annual and special assessments to be fixed, established, and collected from time to time as herein or in the By-Laws provided), and (3) any liquidated damages or summary charges imposed under authority contained in the By-Laws, together with costs, fees and expenses (including reasonable attorneys' fees) incurred by the Association incidental to the enforcement of any Rules and Regulations, collection of assessments (both annual and special) or collection of damages or charges arising under the By-Laws. The annual and special assessments of an Owner and any liquidated damages or summary charges as herein or in the By-Laws provided, together with such interest thereon and costs of collection thereof as herein provided, shall be a charge on the land and shall be a continuing lien upon the Lot or Dwelling Unit against which each assessment is made. The Assessments payable by Class C Members, whose only rights are In the Recreational Facilities and Beach Access, will always be one-half (1/2) of that of the Class A Members and in the event of non-payment of any Assessment, the Class C Member may face permanent forfeiture of his rights of Membership as provided for in Article Ten, Section 2 of the Declaration.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively to promote the recreation, health, security, safety and welfare of the residents of The Properties and in particular for:

(a) the improvement, maintenance, and replacement of the common Properties including, without limitation, the Recreational Facilities. (NOTE: The streets

in Oceancrest are private and will be maintained by the Association from these assessments. Charles Jenkins Lane West is a 30' right of way which does not meet the North Carolina Department of Transportation standards for rights of way and thus can never be accepted into the state system.)

(b) maintenance of exteriors of Dwelling Units and related Improvements on Lots (subject to reimbursement by the Owner(s) of such Lot or Dwelling Unit) pursuant to Article Eight, Sections 1 and 2 of the Declaration,

(c) establishment of capital replacement reserves, and

Both annual and special assessments shall be fixed at uniform rates for every Lot or Dwelling Unit within the category or form of ownership applicable to each Lot or Dwelling Unit. There will be no difference between assessments as to Lots, except to the extent Limited Common Properties are located on a Lot or Lots, or between assessments as to Dwelling Units. In addition, the Owner(s) of some Dwelling Units may be subject to an assessment for the maintenance, improvement and replacement of any Limited Common Properties located on or adjacent to the Lot on which such Dwelling Unit is located.

Section 4. Application of Minimum and Maximum Assessments. The minimum regular annual assessments, as set forth in the schedule herein below, shall be levied by the Association unless the Board of the Association, by majority vote, determines that the important and essential functions of the Association may be properly funded only by an assessment above the minimum but not more than the applicable maximum regular assessment, as set forth in the schedule below. If the Board of Directors shall levy the applicable minimum assessment for any assessment year and thereafter, during each assessment year, determine that the important and essential functions of the Association cannot be funded by the minimum, The Board, by unanimous decision, may levy a supplemental assessment, but in no event shall the sum of the minimum and supplemental regular annual assessment for the year exceed the applicable maximum regular assessment.

The regular annual assessment minimum and maximum amount shall be the sums

calculated in accordance with the following schedule as may be Increased in each instance by an inflation adjuster set forth herein below.

1. <u>Owner Members:</u>	<u>Minimum Regular</u>	<u>Maximum Regular</u>
	<u>Annual Assessments</u>	<u>Annual Assessments</u>
(a) Per Lot		
(b) Per Dwelling	\$400.00	1,000.00
	\$600.00	1,500.00
2. <u>Non-Owner Members:</u>		
(a) Per unimproved lot	\$200.00	\$500.00
(b) Per dwelling unit	\$300.00	\$750.00

Commencing with the calendar year beginning January 1, 1994, the minimum and maximum regular annual assessments shall automatically be increased each year, unless the Board of Directors, by unanimous decision, shall determine otherwise, by five percent (5%) per annum, compounded annually. In the alternative, the Board of Directors, by unanimous decision, may determine that the amount of the automatic five percent (5%) Increase is inadequate and that the amount of the annual increase should be the percentage Increase between the first month and the last month of an annual assessment period in the Consumer Price Index for All Urban Consumers, All Items ALL Cities Average (1982-84 = 100), hereinafter called the "CPI-U" published by the United States Department of Labor. In the event that the CPI-U shall be discontinued, then there shall be used the most similar index published by the United States Government that may be procured indicating changes in the cost of living. The Board of Directors may by unanimous decision, after consideration of current cost and future needs of the Association, fix the annual regular assessment for any year at an amount less than the applicable minimum regular annual assessment, but such action shall not constitute a waiver by the Association of its right to revert to the full regular minimum assessment in subsequent years.

Section 5. Special Assessment for Capital Improvements. In addition to the regular annual assessments authorized by Section 4 hereof, the Association may levy in any assessment year, a special assessment, applicable to that year only, for the purpose of defraying, in whole or in part, the cost of professional or consulting fees, any construction or reconstruction, unexpected repair, or replacement of any capital improvement (including, without limiting the generality thereof, any lake, waterway, or pond) located upon the Common Properties or the Limited, Common Properties, including the necessary fixtures and personal property related thereto, provided that any such assessment shall have the consent of two-thirds (2/3) of the votes of the Members who are voting in person or by proxy at a meeting duly called for this purpose, written notice of

which shall be sent to all Members in accordance with the provisions of the By-Laws for Special Meetings. In the event of any such Special Assessment for Capital Improvements, Class C Members will be assessed only in the event that Improvements were made to the Recreational Facilities or Beach Access.

Section 6. Change in Basis and Maximum Amount of Annual Assessments. Subject to the limitations of Section 4 hereof and for the period therein Specified, the Association may change the maximum amount and basis of the regular annual assessments fixed by Section 4 hereof prospectively for any such period provided that any such change shall have the consent of two-thirds ($\frac{2}{3}$) of the votes of Members who are voting in person or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members in accordance with the provisions of the By-Laws for Special Meetings; provided further, that the limitations of Section 4 hereof shall not apply to any change in the maximum amount and basis of the assessments undertaken as an incident to a merger or consolidation in which the Association is authorized by law to participate or as an incident to any (i) additions to The Properties under Article One, Section 2 or (ii) submission pursuant to Article One, Section 2 of this Declaration.

Section 7. Quorum for any Action Authorized Under Sections 5 and 6. The quorum required for any action authorized by Section 5 and 6 of this Article shall be as follows:

At the first meeting called, as provided in Sections 5 and 6 of this Article, the presence at the meeting of Members, or of proxies, entitled to cast a majority of all the votes of the membership shall constitute a quorum. If the required quorum be not forthcoming at such meeting, another meeting may be called, subject to the notice requirement set forth in Sections 5 and 6 of this Article, and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding scheduled meeting.

Section 8. Date of Commencement of Annual Assessments Due Dates. The regular annual assessments provided for herein shall be paid (as determined by the Board of Directors) in quarterly, semiannual, or annual installments. The payment of the regular annual assessment by Owners shall commence to each Lot and Dwelling Units on the first day of the month following the conveyance of the Lot or Dwelling Unit, but no earlier than January 1, 1993, and the payment of the regular annual assessment by Class C Members (Non-Owners) shall commence on the first day of the month following the month that each such Class C membership is granted to a Non-Owner. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. The Board of Directors shall fix the amount of the annual assessment at least fifteen (15) day in advance of each annual assessment period. Written notice of the annual

assessment shall be sent to every Member subject thereto. The due dates shall be established by the Board of Directors. The Association, upon any qualified demand, at any time, shall furnish a certificate in writing signed by an officer of the Association setting forth whether the assessment on a specified Lot or Dwelling Unit, or for a specific Class C membership, has been paid. Such properly executed certificate of the Association as to the status of the assessment is binding upon the Association as of the date of its issuance. The first assessments levied against any additions to the Properties, not now subject to assessment, at a time other than the beginning of any assessment period, shall be an amount which bears the same relationship to the annual assessment provided for in Section 4 of this Article as the remaining number of months in that year bears to twelve.

The due date of any special assessments under (i) Section 5 hereof, or (LL) any other assessment permitted by this declaration, shall be fixed in the resolution or resolutions authorizing such assessment.

Section 9. Duties of the Board of Directors. The Board of Directors of the Association shall fix the date of commencement, and the amount of the assessment or assessments against each Member, for each assessment period at least fifteen (15) days in advance of such date or period and shall, at that time, prepare a roster of the Member and assessments applicable thereto which shall be kept in the Office of the Association, or at any other place designated by the Board upon notice to the Members, and shall be open to inspection by any Member. Written notice of the assessment or assessments thereupon shall be sent to every Member subject thereto.

Section 10. Effect of Non-Payment of an Owner's Assessment: The Personal Obligation of the Owner; The Lien, Remedies of Association.

If the assessment of an owner are not paid on the date due (being the dates referred to in Section 8 of this Article), then such assessments shall become delinquent and shall, together with such interest thereon and cost of collection thereof as hereinafter provided, thereupon become a continuing lien on the Lot or Lots, or Dwelling Unit or Dwelling Units, which shall bind such Lot or Lots, or Dwelling Unit or Dwelling Units, in the hands of the then Owner, his heirs, devisees, personal representatives, successors and assigns. The personal obligation of the then-Owner to pay such assessment shall remain his personal obligation for the statutory period and, in addition, shall pass to his successors in title (as an encumbrance or lien against the Lot or Dwelling Unit) unless expressly waived by the Board of Directors.

If the assessment or assessments is(are) not paid within thirty (30) days after the delinquency date, the assessment or assessments shall bear Interest from the date of delinquency at the rate of interest set by the Board, not to exceed the maximum rate permitted by law, and the Board acting on behalf of the

Association, may authorize its officers to bring appropriate civil action against the Owner personally obligated to pay the same or to foreclose the lien against any such Lot or Lots, or Dwelling Unit or Dwelling Units, and there shall be added to the amount of such assessment, the costs of such action and reasonable attorneys fees or other cost incurred by the officers of the Association pursuant to authority of the Board. In the event a judgment is obtained against any Owner for such assessment, such judgment shall include interest on the assessment as above provided and a reasonable attorney's fee to be fixed by the Court, together with the cost of the action.

Section 11. Subordination of the Lien on an Owner's Property to Mortgages or Deeds of Trust. The lien on an Owner's property of the assessments provided for herein shall be absolutely subordinate to the lien of any first mortgage or deed of trust now or hereafter placed upon any Lot or Lot, or Dwelling Unit or Dwelling Units, subject to assessment. The subordination shall not relieve any Lot or Lots, or Dwelling Unit or Dwelling Units, from liability for any assessments now or hereafter due and payable, but the lien thereby created shall be secondary and subordinate to any first mortgage or deed of trust as if said lien were a second mortgage, irrespective of when such first mortgage or deed of trust was executed and recorded.

Section 12. Exempt Property. The following property subject to this Declaration shall be exempted from the assessments, charges and liens created herein: (a) all Common Properties as defined in Article Two hereof; and (b) all properties exempted from. Taxation by the laws of the State of North Carolina, upon the terms and to the extent of such legal exemption. Homestead exemptions shall not be considered an exemption.

Notwithstanding any provisions of this Section 12, no Lot or any Dwelling Unit shall be exempt from said assessments, charges or liens.

Section 13. Declarant's Obligations for Assessments. Prior to January 1, 1999, the Declarant's obligation for assessments on unsold Lots or Dwelling Units subject to this Declaration will be limited to the difference between the actual operating costs of the Association, excluding reserves on the Common Properties, and the assessments levied on the existing Members other than the Declarant. In no event, however, will the Declarant be required to make a deficiency contribution in any amount greater than it would otherwise be liable for if it were paying assessments on unsold Lots or Dwelling Units owned by Declarant. After December 31, 1998, Declarant shall pay assessments as would any other Owner for each Lot or Dwelling Unit owned by the Declarant.

ARTICLE EIGHT

Exterior Maintenance and Insurance

Section 1. Exterior Maintenance. In addition to maintenance on the Common

Properties and after thirty (36) days written notice to any Owner which shall specify the required maintenance, the Association shall have the right but not the obligation to provide (a) maintenance upon any Lot and (b) maintenance upon any Dwelling Unit, which is subject to assessment under Article Seven hereof. Such maintenance includes (but is not limited to) painting, repairing, replacing and care of roofs, gutters, downspouts, removal of signs in violation of this Declaration, and exterior Improvements on any Dwelling Unit. (a) To keep each dwelling Unit insured against loss by fire or other Casualty, with extended coverage insurance, in an amount equal to at least 90% of the replacement cost of such Dwelling Unit;

(b) To name the Association as an insured "as its interest may appear", so that the Association shall be entitled to receive notice of cancellation of such insurance policy

At the meeting, the Amendment proposed must be approved by an affirmative vote of sixty-six percent (66%) of the votes of Members (including the Declarant) entitled to vote in order for such Amendment to become effective. At any meeting held to consider such Amendment, the written vote of any Member of the Association shall be recognized and counted if such Member is not in attendance at such meeting or represented thereat by proxy, provided such written vote is delivered to the Secretary of the Association prior to or at such meeting.
